

The Society for

ECONOMIC BOTANY, INC.

DEDICATED TO THE PAST, PRESENT AND FUTURE USES OF PLANTS BY PEOPLE

LETTER OF INTENT

This *Letter of Intent* indicates my desire to support the Society for Economic Botany Heritage Circle; it is not a binding legal document. This document is confidential.

I intend to make a contribution through a bequest in my estate plan or other form of future gift – some of which may provide a lifetime income. Should my circumstances change, my *Letter of Intent* may be altered. To assure the continuity of the Society for Economic Botany (SEB) programs, I want to make a lasting gift after I am gone that will continue to support Society activities, such as financial assistance for student members and aspiring economic botanists.

Therefore, I have made ___ or I will make ___ (check one) provision to support SEB through
___ Bequest in my Estate Plan; ___ Stock and/or Bonds; ___ Retirement Plan Beneficiary
___ Charitable Trust; ___ Life Insurance Policy; ___ Endowment; Designation;
and/or Other : _____

Specifically, I would like to support _____

Alternately, I request that the Officers and Council designate use of these funds (check) _____

Name (please print): _____

Address: _____

Phone: Day _____ Evening _____

Signature: _____ Date: _____

(This is an expression of intent and not a legal document. Its contents are revocable and alterable at any time.)

As you have made a provision for the SEB Heritage Circle in your estate or other plans, please let us know how you wish to be acknowledged in future newsletters and other SEB listings (membership in the SEB Heritage Circle occurs upon confirmation of your provision):

___ Check if no acknowledgement is desired.

Consider joining the Heritage Circle today or anytime by making a tax deductible contribution of any amount to the Society of Economic Botany Business Office for general or specified activities of SEB. A letter of acknowledgement will be provided.

The following use of these funds is requested: _____

SEB Business Office, PO Box 299, St. Louis, Missouri 63166 USA | seb@botany.org

SEB is a 501 c(3) non-profit organization registered in the state of NY. The Society for Economic Botany (SEB) was established in 1959 to foster and encourage scientific research, education, and related activities on the past, present, and future uses of plants, and the relationship between plants and people, and to make the results of such research available to the scientific community and the general public through meetings and publications.
